EDUCATION

2023- 2025
Ranchi University
CGPA : Awaited

Master of Computer Applications

Learned Advanced Java, Servlets, JSP, Spring Core, Spring MVC, Spring Boot, Hibernate, and Bootstrap 5. Built several full-stack projects and currently focusing on Spring Boot development.

2020 - 2023
Ranchi University
CGPA : 7.93

Bachelor of Computer Applications

Gained solid knowledge of C, Core Java, DBMS, SQL, HTML, CSS, and JavaScript through practical academic projects.

TECHNICAL SKILLS

- **language :** C, Java, SQL, HTML, CSS , Javascript
- **Tools/Frameworks :** Servlet, JSP, JDBC, Spring Frameworks, Spring Boot, Hibernate, Bootstrap, WordPress, Git
- **Database :** Oracle, MySQL
- **Platforms :** Visual Studio Code, Eclipse IDE , Netbean IDE
- **Other :** Canva, Figma, Microsoft Office

PROJECT

2025
Eclipse IDE

Online Book Shopping Website
A dynamic web application built with Java, Servlet, JSP, and MySQL that allows users to buy and sell books online.
- Admin: Manages books, users, and sales reports
- User: Searches, purchases, and lists old books for sale

2025
Eclipse IDE

Asset Management System
Web-based system developed using Java, Servlet & JSP to manage company resources.
- Admin: Adds and tracks office assets, resolves employee complaints.
- User: Views assigned assets and submits complaints for damaged items

2023
NetBean IDE

Car Rental Management System
A desktop application developed in Java (NetBeans) to automate car rental operations.
- Manages car inventory, customer details, bookings, and billing
- Helps customers find available cars easily and allows owners to track rentals and generate reports

STRENGTHS

- Quick learner with a strong foundation in web and desktop app development.
- Passionate about building real-world applications.
- Team player with good communication and analytical skills.

OBJECTIVE

A passionate and dedicated Full Stack Java Developer seeking an opportunity to apply my skills in Java, Servlets, JSP, and Spring frameworks. Eager to contribute to developing scalable and efficient web applications while enhancing my expertise in Spring Boot, Hibernate, and emerging cloud technologies.

PORTFOLIO

Portfolio Website : https://keshawranjan.netlify.app

Showcasing a collection of my web development projects, including full-stack Java applications, and front-end designs. The portfolio also includes links to all my GitHub repositories, demonstrating hands-on experience in Java, Servlets, JSP, Spring Framework, and modern web technologies.
